Dear Sir:-

I beg to acknowledge receipt of your letter of July 2nd enclosing cheque for fifteen dollars and a half. Your membership medal will be engraved as you direct, and sent you as soon as we can have this done.

Under separate cover I am sending you copies of the Grant and Lincoln medals in bronze. We are very glad to have your order.

I very much appreciate your kind offer of a copy of Evelyn's "Discourse on Medals", the 1697 edition. It so happens that we already have a copy of this work in our Library.

As part of the work which we may do in connection with the war situation, we are planning an exhibition of the insignia of the Army and Navy. A notice of the opening of the exhibition will be sent you in the course of the coming month, and I trust we shall have the pleasure of welcoming you at the Society while it is here.

Yours very respectfully,

Secretary.

Dear Mr. Quincy:

It gives me the greatest pleasure to forward your letter of enquiry to Mr. Weinman. Should you carry out your project, I am sure that you will receive at his hands as fine a result as you are likely to obtain from any other artist. If, however, for any reason the plan, so far as he is concerned, should be given up, I should like to make a suggestion.

Very truly yours,

Secretary
